DOUG SWISHER is one of the most accomplished fly fishermen and angling writers of our time. His co-authored book, "Selective Trout", is the all-time best-selling book on a fly fishing subject. He is also co-author of "Fly Fishing Strategy", "Tying the Swisher/Richards Flies", "Stoneflies", and "Emergers". These books and numerous articles have established Doug as one of the foremost contemporary experts on fly fishing. His clinics, seminars and schools, which he has taught for 20 years have established him as one of this century's preeminent angling teachers.

Doug has written and performed in 7 videotapes; these are Basic Fly Casting, Advanced Fly Casting, Fly Fishing Strategies, Advanced Fly Fishing Strategies, Tying the Hatch Simulators, Tying the Attractors, and Fly Fishing for Bass. They are all fine instructional videos, chock-full of Doug's expertise and made fun to watch and easy to understand by his natural teaching ability.
