February 2015

February 10th, Tuesday @ 7pm [Leonard Recreation Center](#) – Mark Patterson, President and Founder of the [NC Kayak Fishing Association](#) . At our January meeting we learned about the big brown trout below the Martinsville Dam and many of us are considering different ways to float it. Fishing from a kayak adds a new dimension to “working” the water. Come learn tips, techniques and the possibilities of fishing from a kayak. Mark will have a kayak to show what type of kayak you want, and how they can be accessorized for fishing.
